STRONG VALUES

Our brand and products embody the values in which we sincerely believe and that serve as our foundation on a daily basis. Because we have much to share besides ping-pong.

HIGH STANDARDS

We make sure to give our best, whatever the circumstances. It is for this reason that we are constantly evolving, and that we put passion and energy at the heart of everything we do, committed to achieving excellence. Our standards motivate us to improve and outperform ourselves, and this is best expressed through the quality of our products.

E N J O Y M E N T

Cornilleau aims to provide moments of joy, create connections and help people come together. We are proud to develop products that are both user-friendly and pleasant on the eye. We are eager for them to represent the positive mindset that drives us and to constitute sources of well-being – a well-being that we promote both internally and externally.

F A I R - P L A Y

To be the best, yes, but not at any price. We always favour the solution which seems the fairest to us, respecting a spirit of fair play, which we do not compromise. It guides us, enables us to progress together, as a team, and reminds us of our duty of solidarity. We prioritize people, and therefore the planet, with long-lasting and repairable products, produced to an excellent standard.

C H A L L E N G E

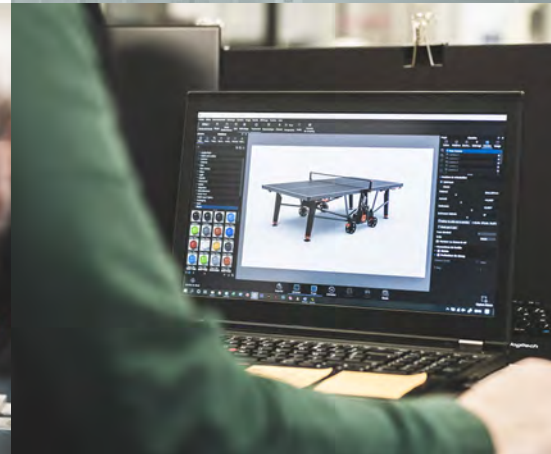

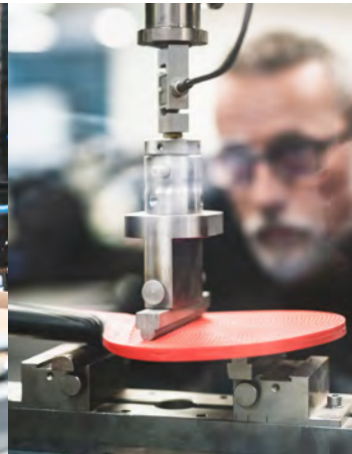

Appetite for challenge and thirst for innovation define us. They push us to be bold and competitive. We do not fear being tested – this is a source of motivation. For us, each challenge is first and foremost a joint challenge, and it is with this attitude that we succeed.

MASTERED KNOW-HOW

Cornilleau is developing in the global market place thanks to high quality, innovative products with a distinctive design. Through the development of a brand-new generation of wheels, we have succeeded in improving the mobility and manoeuvrability of our tables, without ever making the slightest compromise in terms of safety, stability and sturdiness. All Cornilleau tables are developed and manufactured in France, within the very hub of the business, in Bonneuil-les-Eaux, village of Picardy, the Cornilleau family's native village. The research and development laboratory associated with the marketing unit are here at the heart of the factory:

'Made in France' talent intended to devise, design and manufacture all the products, for today and tomorrow.

THE CONFIDENT CHOICE

Cornilleau guarantees its tables against any manufacturing defect for a period of 3 years. This warranty is extended to 10 years for outdoor tables. This 10-year warranty applies to all the various components, with the exception being the wear parts (wheels, net and net posts). All our tables adhere to the European safety standard EN 14468. Nevertheless, in order to ensure the highest level of safety, Cornilleau has positioned itself high above this standard.

Cornilleau strives to offer the highest quality products. However, some of our products undergo wear and tear over time. That's why we feel it's important to provide you with the best possible customer service. Our customer services goes beyond simply exchanging spare part on your product. It also covers the management of your delivery, table assembly and providing telephone or computer support for online customers.

Once your warranty is activated, you will find all the information about your table as well as your order details. You will also ensure the availability of spare parts for your table over a 20-year period.

DESIGNED FOR CHAMPIONS

Cornilleau has been working with the biggest names in table tennis for over 40 years. Their performance, reputation and sporting attitude make them treasured ambassadors for Cornilleau. Their in-depth knowledge of the game is also a precious source of inspiration, helping us design world-class products. Their eye for detail, high standards, sensitivity and tactical approach to the game are key when it comes to creating the highest-quality tables and rackets. Whether they are leisure ambassadors or members of Team Cornilleau, they all share the same values and determination to play great table tennis.

CORNILLEAU AND PARA TABLE TENNIS

Committed to promoting table tennis that is accessible to all, Cornilleau is proud to support the French Handisport table tennis team through a partnership as official textile supplier. In 2020, Cornilleau was honored to see two new players join the Cornilleau Team. Clément Berthier and Lucas Didier are real hopes for the French handisport ping. Our individual partnerships with these very promising table tennis players are the expression of Cornilleau's desire to be part of a more in-depth approach to promoting handisport ping.

A REINFORCED PARTNERSHIP WITH THE FRENCH FEDERATION

In 2020, the partnership between Cornilleau and the FFTT has been renewed for a period of 5 years. In addition to its role as an official table supplier, Cornilleau intends to support the French Table Tennis Federation in its mission to develop the practice of ping in France, in particular by creating bridges between leisure ping, clubs and collectivities.

APPROVED TABLE

CORNILLEAU, OFFICIAL TABLES SUPPLIER OF THE FFTT

AN EXTRA-ORDINARY STANDARD OF SAFETY

CENTRALISED SYSTEM INTEGRATED DOUBLE SECURITY

Using a central release handle, the table can be opened and closed with extreme ease. The DSI system has 16 locking points. The table is fully locked in playing and storage positions. What's more, because of its unique system, if a child opens the table and releases the handle, the panel automatically locks at 65°, thereby avoiding any risk of accident. Finally, if the top is not fully locked in the playing position, a second locking level stops the top from flipping over.

DECENTRALISED SYSTEM

The tabletop can be locked and unlocked thanks to a button system at the bottom and top of the side of your table. Composed of 8 locking points, it meets the safety standard.

COMPACT[®] TECHNOLOGY

EASY TO STORE

The patented « Compact Technology » system ensures optimum safety, easy movement and minimizes storage space requirements.

ALL TERRAIN PING

OVERSIZE DOUBLE WHEELS

The diameter (200mm) of our new Oversize twin wheels, combined with their ultra-robust design, offer unique clearance, manoeuvrability and flexibility.

TABLE TENNIS IN ANY WEATHER

Cornilleau outdoor table panels are made to reduce the sun's reflections in order to optimize visibility and improve the playing experience thanks to the Softmat and Mattop finishes.

These laminated resin panels are weatherproof and can resist rain, snow, extreme heat... Other materials used for the table feature an extensive anti-corrosion treatment. Nothing can stop a table tennis match from happening.

ULTRA RESISTANT TABLES

Rackets strokes and impacts : Cornilleau outdoor tables can put to the test of the shock resistance. Enjoy the confidence knowing the design and materials make these tables ultradurable.

REDUCED GLARE

MATTOP

10 times less glare from the sun and improved transmission of spin. This finish is applied to the tabletops of the Performance and Institutional ranges.

SOFTMAT

3 times less glare from the sun. This finish is applied to the tabletops of the Sport range.

TABLE TENNIS IN STYLE

Cornilleau's new outdoor tables incorporate pioneering technologies and equipment. New features include point counters, bottle and accessory holders – small details that make a big difference. We have gone to great lengths to make our tables as user friendly as possible, and again, strength lies in the details – new locking/release handles and height-adjustable legs that are extremely simple to operate thanks to a new innovative feature.

FEET TO SUIT ALL TYPES OF FLOOR

A 6cm margin for adjusting the height of the table legs to suit any type of floor.

NOT JUST A GAME

Whether it's seen as a sport, leisure activity or simple pastime, table tennis is above all a chance to get together, have a laugh and make some good memories. In the sunshine, on rainy days, by yourself, as a pair or in a group, everyone has their own way of enjoying table tennis. As well as the wonderful freedom you get from playing, table tennis is one of those rare sports that anyone can have a go at. The tables in the Sport range reflect this philosophy, which captures the very spirit of the game. Their high quality, resistance to impacts, rain and extreme heat, along with their safety features and the great playing experience they offer, mean everyone can enjoy the pleasures of table tennis, worry-free.

YOUR TABLE, YOUR GAME, YOUR RULES

Performance isn't about a number, a result or statistics. It means each person striving to push their own boundaries, determined to outperform their own personal best. In the world of table tennis, performance can be exalted through the game itself, or by going against the grain, taking the game into unexplored territory. When a challenging spirit, a competitive streak and the desire to play a beautiful game come together around the table, you'd better be ready to give it your best shot! With their stylish design, high-quality materials, exceptional range of features and skilled craftsmanship evident in even the smallest details, the tables in the Performance range offer a unique playing experience and push you to play at the top of your game. PERFORMANCE WITHIN REACH FOR EVERYONE

Its bounce, its spin and even the sound it makes when it comes into contact with the ball: the chipboard used in Cornilleau indoor tables is inimitable and particularly prized by purists. Recognized for its excellent quality of play/price ratio, it remains a must for many players. The Cornilleau range of indoor leisure tables has been renewed to give these timeless tables a new lease of life. With their new design, they combine performance and aesthetics.

TABLES THAT NEED ATTENTION

To take advantage of the properties of your indoor table, it is essential to respect certain precautions: do not use it outdoors, never let liquids spill onto the playing surface, always place it away from humidity, sunlight and strong heat. Also, avoid any impact with a racket or other object, as this could cause immediate damage to the quality of play and, of course, to the aesthetics.

PERFORMANCE AND ELEGANCE

The official supplier to the FFTT (French Table Tennis Federation), Cornilleau has used its know-how to benefit the performance of professional players for over thirty years. Top-level calls for impeccable quality and Cornilleau's response is a range of 5 ITTF-approved tables, which have proven themselves in the federations' competitions as well as kitting out the clubs. Given that ping-pong is so visually striking, these competition tables have also been designed to be eye-catching. The attention to detail in this regard imparts a unique elegance.

Cornilleau is the first manufacturer to develop this system for competition tables. The patented COMPACT TECHNOLOGY system undoubtedly represents the best offer on the market in terms of storage, safety and ease of use.

Thanks to a central unlocking handle, the table can be opened and closed extremely easily.

The DSI system has 16 locking points. The table is fully locked in the playing position and folding position. The safest table on the market.

BEST-IN-CLASS TABLES FOR A GREAT PLAYING EXPERIENCE

SKILTOP coating, specific to our competition tables, was developed with the best possible attention to detail. It ensures an extremely reliable and regular bounce, as well as optimum adherence to the playing surface for perfect return of play.

"P-BALL READY" SKILTOP

- Spin-sensitive finish specifically designed for plastic balls.
- No-reflecting, matt, water-based and environment-friendly paint.
- Grey color (available only with 850 Wood ITTF and 740 ITTF): for a better contrast with the ball.

WHEELCHAIR PLAY

The leg assembly has been designed to allow a wheelchair to fit under the table and allow for handisport play. ITTF W standard.

ROBUST MATERIALS

The materials selected for our competition tables are particularly robust (example: sides and feet entirely made of steel).

FIXED POSTS

ITTF posts fixed permanently to the table will save you time on each installation. The height of the net can be adjusted without affecting tension.

MINIMUM STORAGE SPACE

The leg assembly has been designed to stack tables during storage, providing minimum storage space. Optimal storage size: 1 table = 65cm + 45cm for each added table.

INDOOR RACKETS

AERO - AERO SOFT: enables optimum transmission to the handle of shock waves created on impact with the ball. The hand's sensory system, with its improved touch interface, immediately processes the sensations necessary to provide the perfect response!

DYNACELL: the optimization of the nature and structure of the material is the key to the elastic properties of a sponge and it takes energy release to a whole new level. This key now has a name: Dynacell.

OPTI FEEL CONCEPT: the wooden fibres of each layer of plywood, perpendicularly oriented one with the other, significantly improve stability. OFC provides excellent sensations, which immediately translate as greater control and precision.

EFFICIENT CURVE: made of 90% natural rubber, the efficient curve top-sheet provides an unrivalled grip on coverings this fast.

MAKING YOUR LIFE EASIER

CUSTOMER SERVICE & SPARE PARTS

Our customers benefit from high quality products and an excellent customer service. Spare parts can be ordered directly from www.cornilleau-services.com for tables manufactured within a minimum of the last 10 years. Cornilleau customer service located at our headquarters in Bonneuil-les-Eaux (France), this department comprises specialists who can answer your questions and offer advice via a simple phone call to :

USA : (678) 257-4350 from Monday to Friday from 9:00am to 5:00pm (EST).

UK : (+44) 01293 243980 from Monday to Friday from 9:00am to 5:00pm (London Time).

SAFETY

All our tables comply with the European safety standards EN 14468. However, in order to ensure the utmost level of safety, Cornilleau has positioned its products well above this standard.

GUARANTEE

Cornilleau guarantees its tables against any manufacturing defect for a period of 3 years. This guarantee is extended to 10 years for outdoor tables. This 10- year warranty applies to all the various components, with the exception being the wear parts (wheels, net and net posts).

DIMENSIONS

- Cardboard packaging: height 141cm, length 157cm, width 10cm to 20cm.
- Closed table: height 155cm, length 167cm (leisure and institutional range) and 183cm on all other models, width 75cm
- Playing dimensions: height 76cm, length 274cm, width 152.5cm.
